

Good morning, Sir/Mam

First of all, thank you more giving me this opportunity to introduce myself my name is Amarendra, Sahoo. I am basically from Bhadrak but currently stay n Bhubaneswar. I did my graduation in BSc from Fm university at score 71%. Currently I am Pursuing MCA in Centurion University Bhubaneswar at score 90%. I belong to a nuclear family about My family I have 4 family members including me Father is a Business man, Mother is House-maker and I have elder brother, he is Software Engineer in Hasheidin by Deloitte. My strength are I am self-motivated and hardworking .my short-term goal is to get a job in a company and my long-term goal is to achieve a good position where I can build my carrier, and help the organization.

In my Master’s I have completed 2 projects in my collagenous group members.

1st one is **Attendance Management System**-The Attendance Management System has to handle records for many number of students .It has become important factors in modern education field. The project is being designed and developed using Java (Swing).

Another is **PG-LIFE** - PG Life has become important factors in modern paying guest accommodation field. It helps the student for safe stay. and the project is being designed and developed using Java (J2EE) , Tomcat Server , HTML, CSS, JavaScript, Bootstrap and MySQL.

I also Complete 2 Internship in 2 company. 1 internship is complete in Web-development and design and 1 internship is complete in Java Developer.

I also training in Full-Stack java Developer in i**Neuron**.

My hobbies are watching movies, series and cricket. also play the cricket.

That’s all about me. Thank You
